

Catwalk copy **The Cape**

Part of the Cocoon collection at Norwich Fashion Week 2014, and seen in the autumn/winter collections from Valentino, Daks, Bora Asku, Todd Lynn and Alexander McQueen, the cape is tipped to be the key piece of clothing this autumn. Wear it now as a cover-up on chilly evenings and in autumn over a polo neck jumper.

Cocoon at Norwich Fashion Week 2014. The Designers Show at Epic.
